Create a posting

- Fill in all mandatory fields (marked with “*”)
- Validity period means the duration of the event
- Use wildcards in reason/remarks (How to use WILDCARDS – page 19)
- Click “publish” to publish your current post
- After clicking “publish” you will receive a TAN-Code via SMS or e-mail to verify the posting

The screenshot shows the CEGH web application interface for creating a posting. At the top, there is a navigation bar with the CEGH logo and links for POSTINGS, CREATE POSTING, and ADMINISTRATION. The main heading is 'Create Posting'. Below it, the text reads 'Publish posting - Verify TAN'. A message states 'TAN-Code has been sent.' followed by 'Please enter the received TAN-Code and click the Submit button below.' There is a text input field for the 'TAN-Code' and a 'Resend TAN' button. At the bottom, there are two buttons: 'Submit' and 'Cancel'.
